(b) All workers and employees of the railways are as liable for offences in service as persons on active service (c) All offences committed in railway traffic are tried in military tribunals of the railways according to martial law. (d) The military tribunals of the railways have the right to inflict the severest penalties on offenders in service and to send them to the renal companies at the front where they may redeem their faults by their behaviour and bravery. These regulations have been made known to all railwaymen."
